

Basha High School Band Corporate Sponsorship Program

Why should I sponsor the Basha High School Band Program?

The Basha Band programs have been recognized as one of the top high school band programs in the nation. With over 200 students in 8 different ensemble groups, Basha Bands has regularly been awarded distinction honors throughout its various ensembles. Basha Bands is regularly invited to represent the City of Chandler and the State of Arizona in regional and national events. To maintain this proud tradition, financial assistance is necessary. While program fees and school budgets cover some of the cost, we must rely on fundraising and sponsorships to supplement the program and keep the award-winning standards for which the Program is known. Your company's affiliation with this Program will serve your business not only by exposing it to hundreds of families, but also by associating your business with a superior music program with a tradition of excellence. Sponsorship of this program shows your commitment to your community, the arts, and the students who represent its future.

Your annual donation or sponsorship to the Basha Band program can be as little as \$250 for recognition in our concert band programs up to \$1000+ for promotion on our band semi-trailer and our band show shirt each season.

The Basha Band Boosters are a 501c3 volunteer organization under the umbrella of the Chandler School Boosters organization. (EIN # 35-2451830) For more information about making a tax-deductible donation please contact our Basha Band Booster treasurer at bbr.treasurer@gmail.com

Show Sponsor

The Basha Band program has many opportunities throughout the year to host a home show. In the fall the home show is a marching band invitational, Sounds Along the Santans. This event brings in 15-20 high school bands from across Arizona and roughly 3,000 performers and spectators to the event. In the winter season we host an indoor percussion / colorguard competition for 40+ groups, bringing in over 2,000 performers and spectators. Each event is fully run by our booster organization parents. Your sponsorship of one of these events allows you to receive all of the **Gold** benefits along with your name announced during breaks at the event. Should you also wish to provide a banner with your company logo or information, we would display it at the event as well.

Meal Sponsor

One of the biggest expenses for the Basha Band program is feeding the students before all home and away games, before all competitions, and during their music camps. Your donation to our "Feed the Bears" program directly helps our hard working students to have an important meal served to them during these events. Sponsoring a Feed the Bears meal allows you to receive all of the **Green** benefits along with your name being mentioned as a meal sponsor.
