

May 2024

Dear Friend and Community Member,

The Basha High School Bands program, housed at an Arizona A Rated School, provides our band members numerous opportunities to learn music production, theory, and composition; compete locally and nationally; and form meaningful friendships. The Basha Band Boosters, along with the Basha Band Directors, are excited to extend opportunities for sponsorship. In return, your company will benefit from publicity and exposure to our large student and parent population, as well as our greater band community.

Our dedicated band students commit over 25 hours outside of school each week to the program; and their efforts have been rewarded! Our award-winning bands have consistently placed in the top five for at the Arizona Band and Orchestra Directors Association (ABODA) and Arizona Marching Band Association (AzMBA) competitions. In 2023-24, we placed in the Top 10 at the Bands of America competition for the Southwest Region and were invited to march in the Pearl Harbor Day Parade in Hawaii. Our color guard placed 3rd at Winter Guard Arizona (WGAZ), while our indoor percussion ensemble has placed 1st in the past 3 years, as well as in the top 3 over the past 12 years. For the upcoming season, we will compete in the Bands of America Showcase regional competition in Texas and the Winter Guard International (WGI)/ 2025 Percussion World Championships in Dayton, Ohio.

Sponsorships are welcomed at any monetary value. We also welcome in-kind donations for goods or services that will benefit our students. A reoccurring need is providing meals during sponsored activities (e.g., band camp, football games, competitions). Please see attached Band Together Sponsorship Levels for specific tiers and benefits.

Basha Band Boosters is a parent volunteer organization. All of the proceeds raised directly benefit the students. Excitingly, our program is growing rapidly; there is an immediate need for an equipment trailer, instruments, additional band curriculum, technology, and scholarships for the 2024-25 school year.

It is organizations and people like you that make our students and community a success. Your next step is to confirm your sponsorship or donation. Donations are welcome the entire season; however, we can guarantee full annual benefits if received before June 15, 2024. If you have any questions, please contact Mindee O'Cummings at BBRSponsorship@gmail.com or 612.615.3565.

Thank you for your consideration in sponsoring or donating as we Band Together. Every dollar is helpful.

Sincerely,

Mindee O'Cummings
